

Show Features

Grocers' Exchange Mart (GMART)

A specialized sourcing platform that connects qualified Philippine food manufacturers with local and international trade buyers seeking private labeling, white labeling, and toll manufacturing or packing arrangement partners.

Flavor Finds

An IFEX Philippines staple feature, highlighting a variety of food innovations, such as artisanal ingredients and modern interpretations of classic dishes from the Philippines and beyond.

IFEX Kitchen

A platform for exhibitors and partners to highlight their products' food innovations—with a collaborative cooking festival set to spice up the 2026 edition. The space gathers personalities from different institutions in the Philippines and Michelin-recognized kitchens, as well as figures from the international culinary scene.

KATHA Award for Food

Presented during IFEX Philippines, the KATHA Award for Food honors innovation and excellence in food products and applications. Since its introduction in 2015, KATHA has sought to inspire IFEX Philippines exhibitors to strive for excellence in creating innovative products for the export market.

Sustainability Solutions Exchange (SSX)

Where profit meets purpose, an avenue that fosters global circularity across industries, and connects people and places with notable sustainable solutions for a more future-proof and resilient supply chain.

IFEX Talks

An educational platform designed to equip export-oriented Filipino micro, small and medium enterprises (MSMEs) with the knowledge and government support needed to achieve international growth. This year's talks features the Sustainability Solutions Exchange (SSX) focused sessions, a space for industry leaders and advocates to share their expertise, focusing on measures to advance Filipino enterprises' sustainability journeys.

IFEX Live

The premier digital marketplace and live commerce stage at IFEX 2026. The platform offers an interactive, real-time buying experience, bridging the gap between physical exhibitors and a global online audience.

Festival of Flavors

A taste of the regions with global possibilities, experience a curated gastronomy flavored by tropical products and ingredients from IFEX Philippines exhibitors.

CreateLab

A collaborative onsite clinic to promote design value in achieving business goals, offering creative expertise to MSMEs for effective branding and strategic marketing.

FOODPhilippines and International Hall

A showcase of the country's top Philippine food brands; business services and outsourcing companies and consolidators; and an open house showcase of government programs empowering Philippine food SMEs. It houses the Business Solutions Zone, which presents allied equipment and services. Meanwhile, International Hall hosts food products and ingredients from leading global companies and manufacturers.

Marketplace

A dynamic space that allows exhibitors to make immediate sales and buyers to purchase from smaller businesses in a retail setting. It acts as a discovery zone for niche or artisanal products, enhancing the visibility of export-oriented enterprises.

About the show

Welcome to IFEX Philippines 2026 featuring the Sustainability Solutions Exchange (SSX)!

The 19th edition of IFEX Philippines proudly carries the message of Tropical Flavors for the World, signifying the country's growing transformation into a premier global food sourcing powerhouse and dynamic gateway for global growth.

Built on the rich foundation of our tropical heritage, and shaped by our innovative spirit and sustainable craft, this longest-running B2B export trade show for food, beverages and ingredients invites you to experience the best of Philippine food and Asian tastes.

Organized by CITEM, the export promotion arm of the Department of Trade and Industry (DTI), IFEX Philippines offers unmatched sourcing opportunities from leading brands, manufacturers, and distributors. Discover a vibrant marketplace of high-value tropical flavors and globally competitive products curated for the international food community.

10,000+ Trade Buyers and Visitors | 550+ Participating Exhibitors | 5,000+ Global Food Brands
