ORGANIZING TEAM

The Center for International Trade Expositions and Missions (CITEM) is the export promotion arm of the Philippine Department of Trade and Industry (DTI). CITEM has established the country's image as the premier destination for quality export products and services. It continues to set the highest standards of creativity, excellence and innovation to achieve export competitiveness in the international market.

Under this national brand, the Philippines is positioned as Asia's most exciting sourcing destination for food exports, being one of the world's top producers of fresh fruits and marine products.

FoodPHILIPPINES unifies the promotional efforts of the government in overseas trade exhibitions and events to project one brand, one image, one voice.

A total of 31 Filipino brands are featured at the the Dubai World Trade Center r during Gulfood 2022 held from February 13 to 17.

The Philippine pavilion showcases a fine selection of Philippine snacks and drinks to cater to the growing international demand.
