FOODPhilippines

It is the banner program that promotes the Philippines as a source of quality food products and ingredients in physical and/or digital trade shows and business-to-business platforms in priority markets around the world.

FOODPhilippines positions the country as an exporter of healthy, organic, natural, and specialty food products and services.

ORGANIZING TEAM

The Center for International Trade Expositions and Missions (CITEM) is the export promotions arm of the Philippine Department of Trade and Industry (DTI).

For nearly 40 years, CITEM has established the country's image as a premier destination for quality export products and services. It continues to set the highest standards of creativity, excellence, and innovation to achieve competitiveness in the home, fashion, lifestyle, food, creative, and sustainability sectors.

CITEM is committed to developing, nurturing, and promoting micro, small, and medium enterprises (MSMEs), brands, designers, and manufacturers by implementing an integrated approach to export marketing in partnership with other government and private entities.

At Gulfood 2023, a total of eighteen Filipino enterprises are featured at the Dubai World Trade Center from February 20 to 24.

The Philippine Pavilion showcases a fine selection of Philippine snacks and drinks to cater to the growing international demand.
