

FOOD Philippines

2nd mega HALAL

15-17 July 2026
QSNCC, Bangkok

Philippine Pavilion
Hall 8 Booth Nos. V49 & V51

ORGANIZED BY:

dti | ITEM

Unlocking global halal opportunities with FOODPhilippines

FOODPhilippines proudly secures the country's first-ever institutional presence at Mega Halal Bangkok 2026. Organized by the Center for International Trade Expositions and Missions (CITEM)—the export promotion arm of the Philippine Department of Trade and Industry (DTI), and actively supported by the Philippine Trade and Investment Center (PTIC) in Bangkok, this strategic participation establishes a premier gateway into the global Halal food and beverage market, which is surging toward an estimated USD 2.94 trillion valuation.

As the collective banner program of the Philippines' premium food and beverage export industry, the delegation arrives at the Queen Sirikit National Convention Center (QSNCC) to showcase the archipelago's advanced capabilities as a competitive, innovative, and highly reliable source of premium, globally certified Halal products.

Designed to foster high-value sourcing opportunities, the Philippine Pavilion serves as a dynamic B2B testing ground for international buyers, distributors, and retail innovators to connect directly with top-tier Philippine manufacturers. Backed by the collaborative on-ground presence of CITEM and the Philippine Trade and Investment Center (PTIC) in Bangkok, this curated showcase bridges the gap between sophisticated international market demands and the rich tropical agricultural resources of the Philippines. Trade visitors can discover a wealth of high-value offerings tailored to modern consumer preferences, paving the way for lucrative B2B partnerships and seamless integration into the high-value supply chains of the global Islamic economy.

From organic coconut alternatives and premium fruit extracts to innovative, customizable snacks, the featured exhibitors highlight a strict commitment to international safety and quality standards, including HACCP, GMP, and rigorous global Halal certifications. By fostering friction-free cross-border trade, FOODPhilippines aims to forge enduring partnerships with international distributors, retail buyers, and hospitality innovators—firmly positioning the Philippines as a premier, long-term institutional partner in the regional Halal ecosystem.

This year's FOODPhilippines exhibitors offer a dynamic balance of high-value, innovative product portfolios and celebrated traditions. Learn more about their global supply capabilities at the Philippine Pavilion located at Hall 8, V49- V51 of QSNCC in Bangkok, Thailand.

PH committed to global growth

In addition to supporting enterprises in overseas trade fairs, DTI-CITEM organizes the International Food Exhibition (IFEX) Philippines, the Philippines' largest business-to-business and export-oriented trade show for food, beverage, and ingredients. As the longest-running food sourcing event in the Philippines, IFEX Philippines spotlights premium products from across the regions and positions the country as a dependable supplier in the global market. Co-located within IFEX Philippines is the Sustainability Solutions Exchange (SSX) Exhibition and Conference, a platform that showcases innovations, facilitate knowledge exchange, and foster collaborative solutions that support the country's pursuit of a circular economy.
